

Foundations of Informatics T-1 (28004)
Foundations of Informatics T (29227)
Computational Models And Languages M (72940)
Programming and Development paradigms (81612)
Algorithms and Data Structures in Biology (85301)
History of Informatics and Computing Systems (91685)
Introduction to Programming (B1703)
Computational Management of Data (B8105)

Programming Languages (04138)

Computation Foundations
3 ECTS

Program Formalization
2 ECTS
