

Concurrent Models and Systems (66870)

Concurrent Systems Verification
2 ECTS

Theoretical Computer Science (11933, 41169)

Computational and Oracle Complexity
2 ECTS

Languages, Compilers and Computational Models (81609)

Formal Languages and Computation
3 ECTS

Programming Languages (04138)
Foundations of Informatics T (29227)
Computational Models And Languages M (72940)
Foundations of Computer Science T (93034)
Introduction to Programming (B1703)
Informatics for the Humanities (B4826)
Introduction to Computability and Complexity (B5026)

Logic for Informatics (73149)

Formal Logic Foundations
2 ECTS

Foundations Of Artificial Intelligence T (72938)

Logic for Computer Science (66857)

Set Theory and Structural Reasoning
3 ECTS
