

Computer Networks T (28024)
Principles, Models and Applications for Distributed Systems M (37085)
Internet Architecture (58423)
Basic Informatics (75969)
System Administration T (88324)
Operating Systems and Networks (95604)
Virtualized Systems (95646)
Virtualization and System Integration (96642)
Administration of Systems T (B0832)
INFORMATICA (B8159)

Network Services and Control
3 ECTS

Network Programming (70226)
Computer Networks (93315)
Computer Networks and Network Programming (95644)

Transport Services and Control
3 ECTS
